Serenity House Inc., a 501(c)3 organization, operates six alcohol and drug abuse residential recovery homes in Northern Indiana. Founded in 1994, we have helped over a thousand men and women recover from alcoholism and drug addiction. The elements of our program are based entirely on the principles, practice, and theory of 12-step recovery. All Serenity House facilities and all our resources are dedicated to the concept that, with the help of other recovering people, men and women can achieve lasting sobriety with a quality of life they never imagined possible.
